

Advisory.

April 23, 2020

MBJ Airports Limited, operator of the Sangster International Airport (MBJ), advises that while the Government of Jamaica works on plans for the organized re-entry of Jamaican Citizens to the island, MBI is not yet in receipt of information from its airline partners of a resumption of service in the month of May.

MBJ recommends that persons seeking more information, contact the Ministry of Foreign Affairs & Trade **(MFAFT)**.
