MESSAGE FROM THE CEO

*MR. SHANE MUNROE
CEO OF MBJ AIRPORTS LIMITED*

MBJ's role as the custodian of Sangster International Airport extends beyond serving our passengers but also serving our surrounding communities.

Together we can transform a community and make a difference in the lives of each community member. Team Sangster Grant Awards would not be possible without the support of our sponsors, stakeholders, and airport community. We thank you for your support and look forward to continuing to positively impact our surrounding communities together.

We encourage each awardee to continue pursuing excellence and to ensure every step taken is one geared towards moving forward in academics, training, and relationships.

Whatever you do in the future, think big, dream big, and go for it, you are capable of accomplishing incredible things.

Congratulations to all awardees.

MBJ KICKS OFF THE YEAR BY AWARDING J\$4.5M IN GRANTS

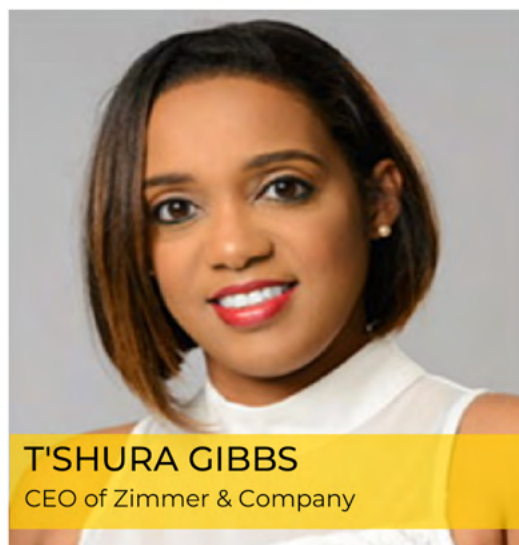

The award ceremony hosted by MBJ Airports Limited was held at the Sangster International Airport - New Domestic Terminal. Nadia Anglin-Nolan - Statistics & Air Service Development Analyst at MBJ Airports Limited served as moderator for the function.

4.5 Million Jamaican dollars in academic grants were distributed to 20 students at the Primary, Secondary, and Tertiary level. Recipients included airport employees, their children/dependents as well as persons from the surrounding communities. Two (2) community organizations targeting the growth and development of community members with special needs also benefitted from this charitable event.

"Education has always been a top priority for MBJ since its inception. Over the years, MBJ has made substantial contributions in support of education and youth engagement through its Change for Children program aimed at the advancement of children through projects linked to education within communities in Montego Bay. Our efforts have spanned contributing supplies, conducting Labour Day projects at schools in addition to

mentoring students." stated Sharon Hislop-Holt - Manager, Commercial Business Development & Marketing in her address to the audience.

T'SHURA GIBBS
CEO of Zimmer & Company

KEYNOTE SPEAKER

Awardees were encouraged to first believe in themselves and secondly to surround themselves with individuals who also believe in them as they go forward in their academic journey. This she emphasized is imperative as they face fears and obstacles along the way.

Awardees were left to ponder T'Shura's favourite quote by Martin Luther King Jr.

“ If a man is called to be a street sweeper, he should sweep streets even as a Michaelangelo painted, or Beethoven composed music, or Shakespeare wrote poetry. He should sweep streets so well that all the hosts of heaven and earth will pause to say, 'Here lived a great street sweeper who did his job well.’ ”
